

BLACK NOSED DACE (Streamer)

Materials List

Hook – standard 4x streamer (Sz #6 - #10)

Thread – Black 6/0

Tail - Red Wool or Yarn

Body – Silver Mylar Tinsel

Wing – Brown over Black over White bucktail

Eyes - Optional

Tying Steps

Start thread at hook bend wrapping back to above barb

Tie in red yarn with ½" tag to the rear. Pull yarn forward and wrap to 1/8" of hook eye.

Tie in silver tinsel. Wrap back to yarn tag and then forward to starting point. Tie off. Coat tinsel body with Hard-as-Nails or similar.

Tie in sparse White bucktail wing after removing short hairs and hand stacking the tips. The tips should extend just beyond the Red tail. Repeat with Black and then Brown bucktail.

Whip finish after building a nice head. Add head cement.

Optionally, add eyes and/or gloss coat
