

Blow Torch

Hook: Jig hook 14 or 16

Bead: 3.0-3.5 mm slotted copper bead

Tail: Orange Glo Brite Floss

Tinsel: Small Pearl Tinsel

Thread: 70 denier orange thread

Dubbing: Black Peacock ice dub **Collar:**
Brown or Olive CDC

Steps:

1. Place Bead on Hook
2. Add thread to the shank of hook and tie to bend
3. Tie in 4 strands of Glo Brite Floss to shank and cut to proportion for a 1/8" tail
4. Tie in Pearl Tinsel to Shank
5. Use a dubbing noodle with a small/light amount of ice dub and dub body until just prior to bead
6. Counter wrap the tinsel onto hook giving approximately 4 lines of segmentation toward bead
7. Use a split thread technique, or dubbing loop, to add CDC to collar
8. Whip finish or half hitch

Tasmanian Devil

Hook: Jig hook 14 or 16

Bead: 3.0-3.5 pink metallic bead

Tail: Orange Glo Brite Floss

Tinsel: Small Pearl Tinsel

Thread: 70 denier tan thread

Dubbing: Hends Spectra Olive Dubbing

Dubbing: Hares Ear Dubbing Natural #1

Collar: Olive CDC

Steps:

1. Place Bead on Hook
2. Add thread to the shank of hook and tie to bend
3. Tie in 4 strands of Glo Brite Floss to shank and cut to proportion for a 1/8" tail
4. Tie in Pearl Tinsel to Shank
5. Use a dubbing noodle with a small/light amount of hares ear dubbing and dub body until just prior to bead
6. Counter wrap the tinsel onto hook giving approximately 4 lines of segmentation toward bead
7. Use a split thread technique, or dubbing loop, to add CDC to collar
8. Dub a SMALL amount of ice dub/spectra dubbing to collar above CDC and below bead
9. Whip finish or half hitch
