

Shelf Liner Ant

Materials

Hook: Dry fly size 16 - I like Tiemco 100

Thread: Black 8/0

Hackle: Grizzly, size 16

Body: Rubber shelving liner in red or black. If you purchase it in white you can color it with permanent markers.

Tying Instructions:

1. Place hook in vise, attach thread and advance to middle of hook.
2. Tie in ant body.
3. Tie in hackle and make 2 wraps.
4. Advance thread to eye of hook and whip finish.
